

# Biker Safety

Hints and tips to help keep bikers safe.

## Tips for Drivers

Use your lights to help ensure bikers see you

Check your wing mirror for bikers before opening the car door

Remember that bikers are easily hidden in blind spots

Take a longer look for bikers at junctions

Avoid distractions when stuck in traffic and look out for bikers filtering

Look out for one another and share the road.

## Tips for Bikers

Make sure your bike is fit for the road

Don't pass unless you're sure it's safe to do so

You never know what you'll meet around the next bend so ride with care

Always ride at a safe speed for the road conditions

Whatever the weather wear good quality safety gear

Try to make eye contact with drivers,

if possible, to ensure they've seen you

Remember large vehicles have large blind spots
